Treasurers Report:

Alexis reported the Club's balances and her report is available by contacting her via our website.

With there not being enough members in attendance to vote on any business, we had two discussions.

1. The assault on two Pickleball players at Hackleman Park in June.
2. The work underway by the City of Albany Parks Department to procure more courts to play Pickleball on. Discussion was held about courts being at either Timber Linn Park or Linn Benton Community College.

By-Laws

The Club bylaw revisions were voted on electronically and accepted 6/21/18.

Meeting was adjourned 7:05pm

Respectfully submitted,
Florence Allen, Secretary Albany Pickleball Club
